

after taking her down. When he
went after her, we all (Cora & Edith & I)
went with him. We got home at 11:55
not midnight haha.

This morning I was like this

Edith has gone over with Lila tonight
as Lila is going over to South Canaan
tomorrow night and going to take Edith too.

Mom came upstairs with a dish
of Cottage Cheese. (um yum) (Hungry?)

I raked up about 2 wagon loads of
leaves tonight ~~outside~~!!!

and I haven't them all raked yet.

Mom says ^{for you} not to feel disappointed
if we don't come down every Sunday.
